When booking activities in the evenings, you must book one of the sites as well (Fox, Birch, Fir Tree, Oak, Wood Pigeon, Maple, Pines, Beech, Squirrel or the Glade)

The instructors are there to deliver a safe and structured session, ensuring the activity runs smoothly within the range. However, their role is not to take over your responsibilities. You are responsible for the supervision, ratios and behaviour of your young people outside the range barriers, not the instructors.
